

Mersey Primary Academy Sport Premium End of Year Impact Report 2016-2017

In 2016/2017 Mersey Primary Academy will receive the fourth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. Throughout 2 of the 4 years we employed a specialist teacher to work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching of physical education. Latterly this money has been spent on the lease of a minibus to enable transportation to a wide range of events and sporting opportunities.

Having already seen impact of the funding from the previous 3 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader as well as a termly PE report, have identified the following areas to maintain in PE coaching this year: high quality coaching in KS1 and KS2 to offer a wider range of sports and events, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina. Pupils will also have many opportunities to participate in competitive events in various locations.

Objective	What are we going to do?	How are we going to do it?
Competitive School Sport Increase participation levels in extracurricular sport	To continue and extend the opportunities for competitive and non-competitive sport with other local schools and academies.
