

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour, they would be in the right place, at the right time, doing the right thing. The totals below show how many children have achieved this each week.

This week 199 out of 208 children have stayed in Green.

Well Done!

Pandas	Butterflies	Dolphins	Owls	Tigers	Frogs	Meerkats	Sharks
17/17	28/29	28/28	28/28	25/28	28/31	16/18	29/29

Butterflies
99.3% & 0 Lates

Dolphins
97.9 % & 0 Lates

Attendance & Lates
Whole School: 97.7% & 1 Late
Our attendance target for the year is 96.5%
Year to date is: 97.3%

Owls
96.8 % & 0 Lates

Tigers
99.3% & 1 Late

Frogs
99% & 0 Lates

Sharks
93.1% & 0 Lates

Meerkats
91.7% & 0 Lates

Upcoming Key Dates

First Wednesday of every month, 8.45am-9.15am	Parent Drop-in with Mrs Curran.

Friday 15th December	-Christmas Dinner - Christmas Jumper day
Tuesday 19th December	Christmas Parties
Wednesday 20th December	Academy closes.
Monday 8th January	Academy opens.

Read all about us...

We have had a really busy week making the three houses for the Three Little Pigs. Outside the children have enjoyed exploring the Big Bad Wolf's house and using the numicon to make patterns. The children have also discussed and drawn their favourite characters. We also had lots of fun decorating biscuits for Children In Need. @NurseryMPA

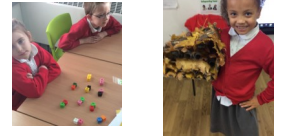

The Butterflies have had a very busy week. We have continued to work on our new topic 'The three little pigs' and have been making our own story maps to help retell the story. We have taken part in many role play activities and particularly enjoy playing in our new outdoor role play area (The stick house). In Maths, we have continued to work on basic addition by combining two groups of objects and counting how many altogether. In the creative and construction areas we have enjoyed making model and collage houses for the three little pigs using a variety of resources. We have been dancing in PE, and have also enjoyed our guided reading groups @MerseyFS2

We have had another brilliant week in year 1! We have had our creative hats on in Literacy this week! We used our imagination and put ourselves in the position of the Gruffalo to help us write a recount of his day. In maths, we have been working on position, although we found this tricky at first we have been very resilient @Merseyyear1

This week we put on the hat of Mr Wolf in Year 2. We have written inventive letters explaining our behaviour in grandma's cottage to Little Red Riding Hood. In maths we have worked super hard to begin to understand dividing numbers using cubes. We have used our senses this week to describe different materials in Science and had lots of fun in music. @MerseyYear2

What a busy week Tigers have had! We have had great fun creating our very own cave paintings and I am sure a lot of the children would agree that it was harder than it looked! We have also been making sundials in Science as we explore light and shadow whilst in Maths we have moved on to using our 4 times table to solve problems. Keep up the positive work Tigers! @Merseyyear3

In our first full week back we have got to grips with division facts, pretended to be seagulls watching Iron Man and have written some, very scientific, non-chronological reports on invertebrates. We are moving forward in P.E and are now focusing on gymnastics, working on creating shapes as well as using various points of our body for balance. @Merseyyear4

This week, we have continued to look at explanation texts, working towards writing our own. In maths we have moved onto working on decimals and linking them to our knowledge of fractions. Also this week we have had a fantastic trip to London, where the children enjoyed a meal out, a trip to the theatre to see Matilda and a look around one of London's fantastic museums. @Merseyyear5

This week, we have been busy writing a newspaper report about some vicious Vikings! We have also been researching what life in Britain was like during the Viking invasions. In maths, we have been working hard to calculate the area of rectangles, parallelograms and triangles. We have had another fantastic week in year 6- well done Sharks! @MerseyYear6

Star Of The Week! 🌟

Pandas - Joshua M
Dolphins - Harley F
Tigers - Isabella G-W & Connie T
Frogs - Zara M
Butterflies - Alfie V
Owls - Kayden H
Sharks - Harry W

During Star of the Week assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Class winners:

Dolphins

KS1 winner:

Holly C

KS2 winner:

Zoe M

Breakfast club.

Doors are open from

8:00-8:10am.

£1 entry.

Leadership Signposting

If you have any questions or queries in the first instance please see your child's class teacher or Miss Foster and Mrs Curran, who are usually on the KS2 door, before and after the academy day.

If after speaking to an Academy Leader, you require to speak to a Senior Leader, then Mrs Milne will be more than happy to help you.

Due to ill health, Mrs Overfield is currently absent from the Academy. In the meantime, Mrs Milne is currently Acting Head of Academy.
