

### Mersey Primary Academy Sport Premium Report 2017-18

In 2017-18 Mersey Primary Academy will receive the fifth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. Throughout 2 of the 5 years we have employed a specialist teacher to work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching of physical education; as this has improved the quality of learning in P.E., the focus this year is to further develop opportunities for a wider range of sports offered, competing opportunities for our children.

Having already seen impact of the funding from the previous 4 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader have identified the following areas to address in PE coaching this year: high quality coaching in KS1 and KS2, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina. Pupils will also have many opportunities to participate in competitive events in various locations.

The academy attained the Gold Sports Mark in July 2017

Amount of Primary School Sports Grant Received	
Primary School Sports Grant Lump Sum	£18,225
Total number of pupils on roll	208
Proposed amount spent	£7,450 to Dec 2017 ( £10,775 of allocation still remaining )

Objective	What are we going to do?	How are we going to do it?
Physical Education Raising the standard of teaching and learning in PE: a focus on the development of children's understanding and reasoning in P.E. and the development of skills.	To improve the PE curriculum and the quality of teaching and learning	Coaching and mentoring of teachers by utilising the skills of the P.E. team: P.E. lead in the academy, a cover supervisor in the academy who was a previous sports coach and by high quality CPD opportunities. Rigorous observation of lessons by PE lead and SLT, focusing on ensuring that the quality of PE teaching at least matches that in the core subjects.
Competitive School Sport Increase participation levels in extracurricular sport	To continue and extend the opportunities for competitive and non-competitive sport with other local schools and academies and regional academies, with a focus on sports which had not previously offered by the academy.	Maintain current competitive activities -PE lead to organise tournaments to link with skills being taught in classes (tag rugby, dodge ball, football, cross country, biathlon, swimming, table tennis, athletics, cricket, netball, hockey). Extra-curricular sports clubs in line with competitions: badminton, golf, futsal, boccia - PE lead to organise cluster competitions - PE lead to liaise with secondary schools and local clubs for sport
Healthy Active Lifestyles Ensuring all children are encouraged to take regular exercise	To improve the health choices of our pupils and lead an active lifestyle, including providing 30 minutes of physical activity every day.	Through introduction of school cooking kitchen and focus curriculum weeks; in addition to children participating in sports and games both within the Academy and with partner schools and Academies locally. Including Change for Life and other multi-agencies
To gain a Gold Quality Mark Standard for a second year.	Continuous monitoring against the criteria, with a particular focus on attending more inclusion events, and more KS2 children officiating events.	PE team to identify and map out and facilitate the necessary provision inc: Children interviewed and appointed for Sports Council who will be overseeing and officiating at lunch time. Children who are subs for competitions will be reporting and commentating on these events for the academy website. Nominated Y5 pupils will be completing the training for Change for Life Leadership Roles
