

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour, they would be in the right place, at the right time, doing the right thing. The totals below show how many children have achieved this each week.

This week 200 out of 208 children have stayed in Green.

Well Done!

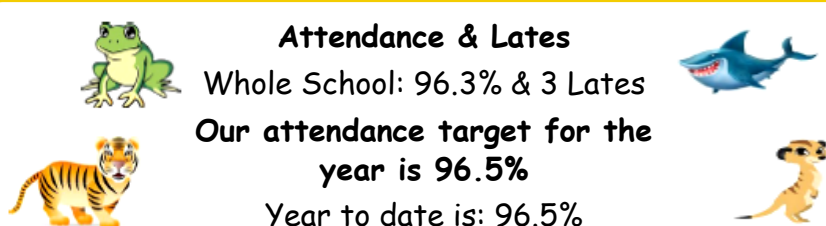

Pandas	Butterflies	Dolphins	Owls	Tigers	Frogs	Meerkats	Sharks
17/18	29/29	27/28	28/28	26/27	29/31	16/18	28/29

Butterflies
96.9% & 1 Late

Dolphins
100% & 0 Lates

Attendance & Lates
Whole School: 96.3% & 3 Lates
Our attendance target for the year is 96.5%
Year to date is: 96.5%

Sharks
93.5% & 0 Lates

Meerkats
94.4% & 0 Lates

Owls
95.6% & 1 Late

Tigers
93.1% & 1 Late

Frogs
97.6% & 0 Lates

Friday 15th December	-Christmas Dinner - Christmas Jumper day
Tuesday 19th December	Christmas Parties
Wednesday 20th December	Academy closes.
Monday 8th January	Academy opens.

Read all about us...

This week the Pandas have really enjoyed using their imagination in our Christmas role play area. We have been listening to the story of the Jolly Postman and discussing his job. We have used a variety of collage materials and junk modelling to make Christmas presents. During number time we have been matching an amount to a given numeral. The children also had lots of fun making reindeer food for the Christmas fair.
@NurseryMPA

We have had another super week in FS2. We have started our new topic on Christmas and have thoroughly enjoyed exploring our new areas: toy shop, Christmas post office, Santa's Grotto and the Elf workshop. In Maths we have been naming and describing shapes and comparing lengths. In English we have started to work on a new text 'The Jolly Christmas Postman' and have started to create story maps to help us retell this story. @MerseyFS2

Yet another amazing week in Year 1! In Maths, we have been splitting numbers between 10&20 to help us add bigger numbers. In English, we have been writing instructions on 'How to make a ham sandwich'. We're super excited to use our instructions to make these next week. Our Nativity rehearsals are going exceptionally well and we cannot wait to show you all our hard work next week. @MerseyYear1

We have enjoyed maths this week and have been learning how to measure objects in metres and centimetres. We had lots of fun searching through the classroom for different things to measure. In English, we have begun learning about adverbs through creating descriptions of the witch from 'Room on the Broom'. We have been creating super exciting sentences by describing the verbs we know. We have also had a brilliant music lesson where we sang lots of Christmas songs as loud as possible. We have continued to take part in nativity rehearsals with the rest of Key Stage 1 and have some budding actors on our hands. We have begun displaying our Titanic models in preparation for our Titanic day on the last week. @MerseyYear2

Tigers have given 100% effort in their tests this week. Great positive attitude! However, we have still found time to have fun at our Christmas Fair and a huge thank you to all the parents who donated jam jars for our stall; a record-breaking 80 in total! The boys and girls were very proud that their stall sold out. The final rehearsal of the Christmas performance has been completed and we look forward to the show next week. @MerseyYear3

This week, we have started to look at autobiographies, which started a discussion on the important events that have already happened in our lives. In topic, we looked at how humans adapt, control and harness the power of rivers. In P.E, we continued with our balancing and movement routines and reached dizzying heights with the apparatus. @MerseyYear4

This week, we have started to look at instructions in English, whilst in Maths, we have started to look at angles and shapes. The children have also been rehearsing for the NAPA performance next Tuesday as well as singing and reading music in their music lessons. The children have also been working hard in their end of term assessments too. @MerseyYear5

This week, we have been learning all about electricity! We have learned about the history of the lightbulb as well as scientific symbols for circuits. We can't wait to start our practical work! @MerseyYear6

Leadership Signposting

If you have any questions or queries in the first instance please see your child's class teacher. Staff are on the doors in KS2 for any queries at the start or end of the school day.

If after speaking to an Academy Leader, you require to speak to a Senior Leader, then Mrs Milne will be more than happy to help you.

Due to ill health, Mrs Overfield is currently absent from the Academy. In the meantime, Mrs Milne is currently Acting Head of Academy.

Star Of The Week! 🌟

Pandas - Jegor P	Butterflies - Madalyn C
Dolphins - Sophie G-J	Owls - Cyira A
Tigers - Emmie B	Frogs - Ilie T
Meerkats - Katarzyna P	Sharks - Lance R

During Star of the Week assembly, please make sure that the photo is of your child only and please ensure you only post photos of your child on social media. There are parents who do not want their child photographed or on social media for personal reasons.

Class of the week;
Meerkats

KS1 winner;

Jake D

KS2 winner;

Sara T

Breakfast club.

Doors are open from

8:00-8:10am.

£1 entry.
